### *Want to boost your EQ\* ? Book a Power Conversation Now ! \*Entrepreneurial Quotient*

*A "Power Conversation" is a One on one, on-line coaching session. Its guiding purpose is to explore, cultivate and build-up your entrepreneurial spirit and skills. Our process will help you develop your unique personal signature brand, enhance your professional - market visibility and influence.*

#### **Proposed agenda :**

- Clarify desired outcomes and how the value you expect they will deliver meets your purpose
- Identify essential building blocks, steps and road-map to reaching the goals and produce the desired outcomes
- Uncover what has been standing in your way all this time not allowing you to get the benefits you want as well as which resources are needed for you to face the challenges and unlock the situation now - expand the realm of what's possible.
- Develop your Personal Signature Branding
  - Clarify, Refine your Personal Signature Branding as an Entrepreneur and a Leader
  - Align your Professional Positioning with your Core Values - Create and Lead from Core
  - Enhance your Market - Professional Visibility and Influence
- Complete the consultation knowing what the next action-steps are for you to generate and implement the changes you are looking for as well as sustain your efforts until full resolution/goal achievement.

Appointments can be scheduled via our website's enrollment form and online calendar.
